MESSAGE FROM THE FOUNDER AND HOST

It is with great pleasure that I welcome you to the 28th Annual SUNSHINE Awards celebration. The SUNSHINE Awards Organization thanks you for your presence tonight. We are privileged to be able to recognize the 2016 SUNSHINE Awards nominees and recipients before an audience with such a strong commitment to the performing arts, education, humanity, science and sports. These nominees and recipients were selected by a panel of researchers using a rigid set of criteria.

In 2014, the SUNSHINE Awards Organization received approval from the Mandela family and the Nelson Mandela Foundation to name a SUNSHINE Award in his honor. This year, the Organization expands its coverage of achievement to include the inaugural presentation of the 2016 Nelson Mandela Human Rights Achievement SUNSHINE Award which will be presented to an individual who has made outstanding contributions and demonstrated an unselfish commitment to humanity.

On a personal note, my thanks to all our sponsors, patrons and advertisers for your commitment to making this event a successful and very special one. Your generous contributions and participation through the years continue to help the SUNSHINE Awards Organization to make a difference in peoples' lives and bring the past into the present. My thanks to the SUNSHINE Awards teams in New York, Trinidad and Tobago and the Caribbean by extension, as well as our families. I know wholeheartedly that you join me in congratulating and celebrating the 28th Annual SUNSHINE Awards nominees and recipients and the new inductees into the SUNSHINE Awards Hall of Fame.

Thank you and once again a warm welcome!

Sincerely,

Gilman T. Figaro, Sr.

EARL CROSBY

Cultural Icon the 2016 Friend of the Arts SUNSHINE Award

By: David Cuffy

Earl Crosby, popular Trinidad and Tobago entrepreneur and record producer departed for Heaven on Wednesday August 6, 2016. Mr. Crosby was 65 years old.

A native of Trinidad and Tobago and the Caribbean by extension founded the popular Crosby's Music Store in St. James, Trinidad. He was one of the country's most popular disc jockeys, starting in the industry as DJ Village Soul Choir in the 1960s.

Mr. Crosby demonstrated his love for humanity by founding the St. James, Trinidad Community Improvement Organization and the St. James WeBeat Live event to promote the spirit of community in his home town. He also produced and distributed many of the Caribbean's top performing artists records and Cds.

In the early 1980s Mr. Corby's popularity as a DJ soared. This resulted in his first contract from the late Wayne Berkeley to provide road music for his carnival band. He became so popular and very much in demand he produced his own carnival band, titled Jus' Friends and on one occasion won the "Band of the Year".

Popular radio personality Phil "De Thrill from Laventille" Simmons, shaken by the departure of his childhood friend wrote: "Earl was one of the most creative and imaginative people I have known. We began our friendship way back as students at St James Secondary. He and I began then as DJ Village Soul Choir, then Earl became DJ Crazy Man Earl. We were the first DJs in this town to have an Earth Wind & Fire album. We always sought to get the best music of the day before anybody else did. When he began the Crosby's Carnival record launchings, after leaving Telco and joining his father's business, it was all upward for Earl. For the first of the record launchings, I remember our first stage on Western Main Road was two wooden pallets, before progressing to being on the tray of a truck. The crowd got so big in St James we had to seek a much larger venue. From King George V Park, we moved the event to PSA, and the last one we staged was in the Queen's Park Savannah, Port of Spain. Earl was one of the founding members of the St James Secondary Alumni and he sacrificed a lot to keep it going, just as he did with the St James WeBeat event."

The SUNSHINE Awards Organization joins people of Trinidad and Tobago and the Caribbean by extension in paying tribute to this very special man for the contribution he made to our lives and the performing arts. He was a true "Friend of the Arts."

GEORGE VICTORY
Musician, Vocalist and Humanitarian

George Rupert Victory, a founding member of the SUNSHINE Awards Program, musician and vocalist departed for Heaven on July 19, 2016. He was 66 years old. George was born in Five Rivers, Arouca Trinidad, often described as the “land of calypso and steelband music.” His love for the performing arts combined with his compassion for the underprivileged compelled him to use his skills and talents to bring comfort to the disheartened. A humanitarian at heart, George was a regular donor of energy, time and money to lupus and cancer research centers, public schools music fundraisers and several youth programs. So unique is his music that it reflects his belief in the power of relationships and music as an international language. George and his unique style was very much in demand. In fact, he was the first to perform the commercial jingles for “Nobody Beats the Wiz” and “Folgers Coffee” in an R&B soul format. This changed the way commercials for household brand products were recorded forever after.

He performed with many performing artists including the Fat Back Band, the Calypso King of the World, the Mighty Sparrow, the Grand Master of Calypso, the Lord Kitchener, Byron Lee, Musician/arranger, Frankie McIntosh and Producer/Saxophonist, Charles Dougherty, to name a few. He was the recipient of many Awards including the Golden Reel Award and a Gold Record in 1980 as the lead guitarist for Fat Back Band and two SUNSHINE Awards in 1989.

The SUNSHINE Awards Organization joins his family and the Caribbean-American community in paying tribute to this very humble, special and talented man for his contributions to our lives and world. Memories of him will help to comfort us.
